**Ed Carroll is inviting different Car Clubs bring their cars to their facility each Saturday in August.**

**Here is a write-up from their coordinator:**

1. Showroom Cars - we will have 5-7 different cars rotating through the Ed Carroll Motor Co. showrooms each week (Saturday-Saturday) during the month of August, you can watch for the Facebook live video or stop in to see them, just don't forget your mask.
2. Virtual Car Show - each week in August we will post an album of a different brand of car including a photo and brief bio of the car.
3. Club Meet Ups - each Saturday in August a different car club will be invited to meet at the dealership, outdoors, for a casual limited attendance gathering to chat cars and show support for Meals on Wheels. **(THIS IS WHAT WE ARE DOING AS A CLUB)**

RSVPs are requested to Kelly (email address below) to assist food providers and ensure we can achieve proper social distancing. If you are interested in submitting a photo for the Virtual Show Album or bringing your car to the showroom for a week please email Kelly [ksteinway@edcarrollmotorco.com](mailto:ksteinway@edcarrollmotorco.com)

**The Club will be donating \$400 to Meals on Wheels, in the name of Ed Carroll, for this event.**
